Contract By and Between INCOG and TMAPC:
Dr. Crowley advised that this Contract is a housekeeping action for expenses incurred by TMAPC for Transportation Planning completed for INCOG in the 1979-1980 Fiscal Year.

On MOTION of HOLLIDAY, the Planning Commission voted 8-0-0 (Avey, Eller, Holliday, Keith, Keleher, Kempe, Parmele, Petty "aye"; no "nays"; no "abstentions"; Gardner, Inhofe, C. Young, T. Dr. Crowley informed the Commission that a Staff hiring freeze has been in effect the past month and there are currently seven positions which have not been filled. As a consequence, more summer interns are being utilized; however, due to being understaffed with full-time employees, several projects are being delayed. As a result of the hiring freeze an excess of $15,700 from last year's budget will be returned to the City and County equally.

Therefore, Mr. Johnsen asked to change the date of continuance to July 23, 1980, which was acceptable to the protestants.

LOT-SPLITS:

L-14957 (3602) T.U.R.A.
14958 (414) Don Schoenecke
14959 (192) T.U.R.A.
L-14960 (2294) Const. Interp. of Tulsa
14961 (683) Southern Hills Methodist Church

On MOTION of AVEY, the Planning Commission voted 8-0-0 (Avey, Eller, Holliday, Keith, Keleher, Kempe, Parmele, Petty "aye"; no "nays"; no "abstentions"; Gardner, Inhofe, C. Young, T. Young "absent") for ratification of prior approval of the above-listed lot-splits.

LOT-SPLIT FOR WAIVER:

L-14931 W. C. Parmley (2792) NE corner of West 45th Street and South Vancouver Avenue (RS-3)

The Staff advised that the applicant was present. This is a request to split Lots 16 and 17, Block 1, Hilldale Addition. The two original lots run east and west with frontage on Vancouver. The "new" lots will have frontage on 45th Street. The corner lot has 80' of frontage and a "handle" on the north to reach sewer and utilities. (if required) The other lot will have 64.3' frontage. Applicant asks for waiver of the Major Street and Highway Plan, which would require 5' additional right-of-way since streets in this area were platted with only 40' of width. However, most are fully improved with curb and gutter within the 40' right-of-way. The TMAPC waived right-of-way requirement on a lot-split across the street from this application, since improvements were already in place.

The Technical Advisory Committee and Staff recommended approval of L-14931 as submitted.

On MOTION of KELEHER, the Planning Commission voted 8-0-0 (Avey, Eller, Holliday, Keith, Keleher, Kempe, Parmele, Petty "aye"; no "nays"; no "abstentions"; Gardner, Inhofe, C. Young, T. Young "absent") to approve the lot-split on L-14931 as submitted.

L-14942 Vivian Harper (3392) 5200 Block of South 36th West Avenue (RS-3)

The Staff advised that this is a request to split Lot 3, Block 1, Southwest Gardens, into halves. The front half will have 56' frontage, which requires waiver of 60' minimum, and has an existing house on it. The back half will have an access handle to the street with 20' of frontage. Both lots will have over the 6,900 square foot minimum area, but if approved, will require Board of Adjustment approval of frontages. (PSO will need the north 5' for easement to serve the tracts.)

The Technical Advisory Committee and Staff recommended approval of L-14942, subject to Board of Adjustment approval.
On MOTION of HOLLIDAY, the Planning Commission voted 8-0-0 (Avey, Eller, Holliday, Keith, Keleher, Kempe, Parmele, Petty "aye"; no "nays"; no "abstentions"; Gardner, Inhofe, C. Young, T. Young "absent") to approve L-14942, subject to Board of Adjustment approval.

L-14950  Paul F. Park, M.D.  (193)  NE corner of 29th Street and Peoria Avenue (RS-1)

The Staff advised that this is an unplatted tract. This is a request to split a portion of Government Lot 3, Section 18, Township 19 North, Range 13 East. The westerly portion has an existing house, and the easterly part is to be created for a single-family lot. Both tracts meet bulk and area requirements, but will need approval for sewer line extension, and a waiver of the Major Street and Highway Plan requiring dedication on Peoria Avenue and 29th Street.

The Technical Advisory Committee and Staff recommended approval of L-14950, subject to extension of sewer as recommended by the Water Department.

On MOTION of HOLLIDAY, the Planning Commission voted 8-0-0 (Avey, Eller, Holliday, Keith, Keleher, Kempe, Parmele, Petty "aye"; no "nays"; no "abstentions"; Gardner, Inhofe, C. Young, T. Young "absent") to approve L-14950, subject to extension of sewer as recommended by the Water Department.

L-14951  Harold McLaughlin (2484)  18700 Block East 91st Street South (AG)

The Staff advised that the Health Department has not received a satisfactory percolation test on the tract and recommended tabling the item.

The Chair, without objection, tabled L-14951, Harold McLaughlin.

There being no further business, the Chair adjourned the meeting at 1:55 p.m.
