Chairman Parmele called the meeting to order at 1:30 p.m. and declared a quorum present.

MINUTES:
On MOTION of C. YOUNG, the Planning Commission voted 7-0-0 (Avey, Eller, Gardner, Holliday, Kempe, Parmele, C. Young "aye"; no "nays"; no "abstentions"; Inhofe, Keleher, Petty, T. Young "absent") to approve the Minutes of September 3, 1980 (No. 1325).

REPORTS:

TMAPC Claims:
On MOTION of KEMPE, the Planning Commission voted 7-0-0 (Avey, Eller, Gardner, Holliday, Kempe, Parmele, C. Young "aye"; no "nays"; no "abstentions"; Inhofe, Keleher, Petty, T. Young "absent") to approve the 1970-1980 and 1980-1981 TMAPC Claims (attached).

CHAIRMAN'S REPORT:
Chairman Parmele, noting that as of October 1, 1980, TMAPC will be merged with INCOG, recommended there be an audit of the TMAPC records of July, August and September. The cost of this quarterly audit will be approximately $2,000.

On MOTION of KEMPE, the Planning Commission voted 7-0-0 (Avey, Eller, Gardner, Holliday, Kempe, Parmele, C. Young "aye"; no "nays"; no "abstentions"; Inhofe, Keleher, Petty, T. Young "absent") to approve a quarterly audit to be completed prior to October 1, 1980.

DIRECTOR'S REPORT:
Personnel Actions:
On MOTION of C. YOUNG, the Planning Commission voted 7-0-0 (Avey, Eller, Gardner, Holliday, Kempe, Parmele, C. Young "aye"; no "nays"; no "abstentions"; Inhofe, Keleher, Petty, T. Young "absent") to approve the Personnel Actions (Exhibit "A-1") submitted this date.
A-95 Review - Water Pollution Control:
Jim Johanning, TMAPC Planner, advised that the Oklahoma Water Resources Board has applied for a grant of $353,700 with the U. S. Water Resources Council for the continuation of the Oklahoma Water Resources Management Program. Diverse factors such as the continuing growth of cities and heavy industry in the sunbelt and the overwhelming dependence on finite ground water reserves for agricultural irrigation make continued funding of the state-wide water resources management essential. The Staff recommended approval of this A-95 application.

On MOTION of C. YOUNG, the Planning Commission voted 7-0-0 (Avey, Eller, Gardner, Holliday, Kempe, Parmele, C. Young "aye"; no "nays"; no "abstentions"; Inhofe, Keleher, Petty, T. Young "absent") to accept the Staff Recommendation for the Oklahoma Water Resources Management Program.

A-95 Review - Waste Water Treatment:
Mr. Johanning advised that the Oklahoma State Department of Health is requesting a grant from the United States Environmental Protection Agency for $193,500. This money will be used to purchase a gas chromatograph mass spectrometer to analyze hazardous wastes and toxic materials. The new equipment will improve the ability of the Health Department to accurately detect the presence of hazardous compounds in samples submitted for analysis. Because accurate analysis to toxic wastes is a necessary prerequisite to proper disposal, the Staff recommended approval of this application.

On MOTION of C. YOUNG, the Planning Commission voted 7-0-0 (Avey, Eller, Gardner, Holliday, Kempe, Parmele, C. Young "aye"; no "nays"; no "abstentions"; Inhofe, Keleher, Petty, T. Young "absent") to approve A-95 - Oklahoma State Department of Health Hazardous Waste Laboratory Support.

Travel and Training Request:
On MOTION of C. YOUNG, the Planning Commission voted 7-0-0 (Avey, Eller, Gardner, Holliday, Kempe, Parmele, C. Young "aye"; no "nays"; no "abstentions"; Inhofe, Keleher, Petty, T. Young "absent") to approve a Travel and Training Request in the amount of $743.80 for Bob Gardner and Wayne Alberty to attend the annual Institute on Planning, Zoning and Eminent Domain sponsored by the Southwestern Legal Foundation, October 29-31, 1980, at Doubletree Inn, Dallas Texas.

Travel and Training Request:
On MOTION of KEMPE, the Planning Commission voted 7-0-0 (Avey, Eller, Gardner, Holliday, Kempe, Parmele, C. Young "aye"; no "nays"; no "abstentions"; Inhofe, Keleher, Petty, T. Young "absent") to approve a Travel and Training Request in the amount of $592.42 for Pat Connelly to attend the American Planning Association National Planning Conference to be held October 25-29, 1980, in Cincinnati, Ohio.

CONTINUED ZONING PUBLIC HEARING:
Application No. PUD #242
Applicant: John Moody (Berry)
Location: SE corner of East 51st Street and South 94th East Avenue
Present Zoning: OL
Date of Application: July 24, 1980
Date of Hearing: September 17, 1980

PUD #242 (continued)

Presentation to TMAPC by: John Moody
Address: 4100 Bank of Oklahoma Tower
Phone: 588-2651

Applicant's Comments:
John Moody advised that the subject property is presently platted and constitutes one lot. The applicant plans to file a request for a waiver of the platting requirements. In light of this, Mr. Moody suggested that the Staff condition regarding the restrictive covenants, be worded as follows: "In the event that the waiver is granted, the restrictive covenants be incorporated in a separate agreement and filed of record."

Mr. Moody stated that he had not reviewed the minimum landscaped open area of 10% net area with his client; however, if this proves to be a problem, a detailed site plan showing the amount of landscaping which can be accommodated will be presented to the Commission and a minor amendment will be requested.

Protests: None.

Staff Recommendation:
Planned Unit Development #242 is located at the SE corner of 51st Street and South 94th East Avenue. The property contains approximately 2.5 net acres and is zoned OL with an application (Z-5438) for IL, pending City Commission approval on the south portion. Therefore, the Staff recommends APPROVAL of PUD #242, subject to the following conditions:
