The notice and agenda of said meeting were posted in the Office of the City Auditor, Room 919, City Hall, on Tuesday, July 31, 1984, at 11:17 a.m., as well as in the Reception Area of the INOOG offices.

After declaring a quorum present, Chairman Young called the meeting to order at 1:33 p.m.

MINUTES:

On MOTION of KEMPE, the Planning Commission voted 8-0-1 (Connery, Draughon, Higgins, Hinkle, Kempe, Wilson, Woodard, C. Young, "aye"; no "nays"; Paddock, "abstaining"; Rice, T. Young, "absent") to approve the Minutes of July 18, 1984 (No. 1513).

REPORTS:

Chairman's Report:

Chairman C. Young introduced Mr. Bob Paddock who will be taking Mr. Bob Beckstrom's place on the Commission.

Chairman C. Young also reminded the Commission of the Fourth Annual Zoning Institute which will be conducted on September 23-25 in New York and encouraged any of the Commission members to attend.

Director's Report:

Request to amend Chapters 10 and 14 of the Zoning Code pertaining to requiring termination of nonconforming uses within a FD District and provisions for the amortization of said uses.

Request to amend Chapter 15 of the Zoning Code pertaining to responsibility of enforcement and penalties of violation.

Chairman C. Young advised the Commission that he had received a letter from Mayor Young (Exhibit "A-1") requesting that the Planning
Commission set a public hearing on an amendment to the Zoning Code providing for amortization and termination of non-conforming uses located in floodways and zoned FD.

The Staff advised that the Mayor has set up a new department that is specifically going to be in charge of enforcement of the Zoning Code which will relieve the Building Inspection Department of that responsibility. Because of the development of the new division the Commission needs to amend Chapter 15 of the Zoning Code which states that the Building Inspector is the enforcer of the Zoning Code.

On MOTION of KEMPE, the Planning Commission voted 9-0-0 (Connery, Draugon, Higgins, Hinkle, Kempe, Paddock, Wilson, Woodard, C. Young, "aye"; no "nays"; no "abstentions"; Rice, T. Young, "absent") to instruct the Staff to set up a public hearing on Chapter 15 amendments of the Zoning Code as stated above.

OTHER BUSINESS:

Progress Report on District 8 Proposed Amendments.

Mrs. Matthews submitted a copy of the compromise proposals which have been discussed with the Mayor (Exh. A-1). After the amendments were first presented on July 11, 1984, the name was been changed from Turkey Mountain Urban Center Special District to Turkey Mountain Special District. Some new policies have also been added which call for some kind of park land protection or acquisition without specifying where that park land is to be other than within the special district and not specifying how it is to be obtained. There is also a concern reflected in the amendments dealing with design. She felt that the whole special district designation reflects an interest in the whole area developing as a unit. As a result the Staff has called for a Planned Unit Development where appropriate. There will also be an entire site design completed when appropriate.
Progress Report (continued)

Mrs. Matthews advised that the Mayor agrees with the submitted language to date. There is one landowner which has raised concerns with Section 4.1.1.3. The landowner is concerned that the word "existing" before high intensity might restrict any future development in those areas to nothing more than medium or low intensity. She stated that she has no problems with deleting the word "existing".

The proposed amendments to District 8 are scheduled for public hearing on August 8, 1984, but if the Commission is not prepared to hear the item at that time it could be continued to a date certain. The Commission is prepared to hear the item next week.

There being no further business, the Chair adjourned the meeting at 1:49 p.m.
