For any land which has been rezoned upon application of a private party, no building permit or zoning clearance permit may be issued until that portion of the tract on which the permit is sought has been included within a subdivision plat or replat, as the case may be, submitted to and approved by the Planning Commission, and filed of record in the office of the County Clerk where the property is situated. Provided that the Planning Commission, pursuant to their exclusive jurisdiction over subdivision plats, may waive the platting requirement upon a determination that the above stated purposes have been achieved by previous platting or could not be achieved by a plat or replat.
